FOR IMMEDIATE RELEASE – Vista, California

August 19, 2020

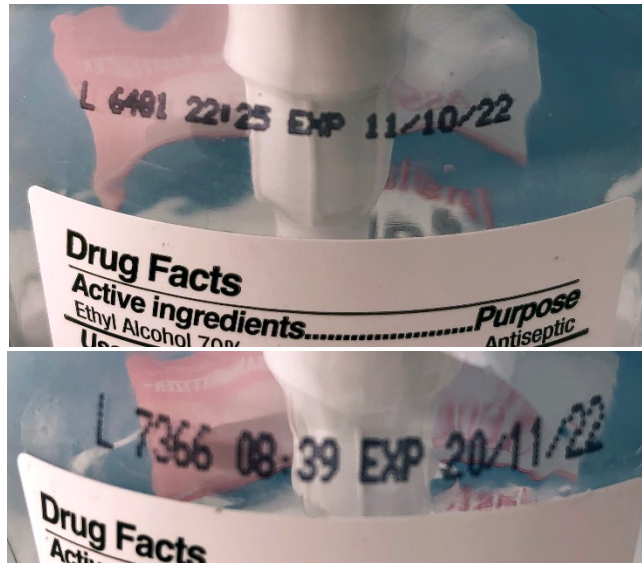

Ready America, Inc. is voluntarily recalling the Assured Hand Sanitizer distributed by Greenbrier International, Inc. because the product may contain an ingredient that may cause health risks.

The product being recalled may have been contaminated by Methanol.

Symptoms are burning in the area the product was applied, headache, blurred vision, nausea and vomiting, loss of coordination, and a decreased level of consciousness. The methanol has a direct toxic effect on the optic nerve, and ingestion can lead to blindness.

Assured Hand Sanitizer comes in clear plastic bottles with white or clear pumps with UPC Number 639277490698. The product labels are displayed below.

Ready America sold Assured Hand Sanitizer under Item # 71760, and it may also be inside Ready America kit # 70460, 71641, 74247, 74255, 74256, Z00027, Z00052, Z00066, Z00167, Z00168, Z00170, Z00179 and Z00180.

Ready America immediately segregated its entire inventory of Assured Hand Sanitizer product and is notifying consumers and customers not to consume them. Consumers in possession of this product should not consume them, rather the product should be returned to Ready America, Inc. for replacement.

Ready America, Inc. will be sending recall notices to all of its direct customers. Please contact your sales account representative at Toll Free Telephone: 800-959-4053 or Telephone: 760-295-0234 or by email at angelica@readyamerica.com for further information.
